CONVEY-ALL® SEED TENDERS

Conveyor effortlessly swings from transport to working position for fast, easy set-up!

CONVEY-ALL'S® BTS 290 FEATURES:

- 1800 lbs. per minute discharge rate
- 8" dia. x 21' tube with 10" wide belt
- 290 unit hopper (single or equal split hopper)
- Conveyor swing: conveyor transports at front or back and swings 180° for unloading
- Gas engine or hydraulic drive
- Roll tarp standard
- Infinitely variable speed control

Gentle handling...no seed damage even with extra dry seed. These tenders can be used for virtually any seed as well as granular herbicides and fertilizer.

Swinging conveyor!
180° CONVEYOR SWINGS FRONT TO BACK, BACK TO FRONT, FOR GREATER REACH AND HANDLING EASE.

BTS 290 Series
Weigh scales can be added to seed tenders, creating dual purpose use as weigh wagons.

Leading in Innovative Conveyor Design since 1983
